## Welcome to Bayview Beauty

Hello there ladies, welcome to my September / October 2018 Newsletter. I hope you've all had a fabulous Summer, what glorious weather we've had!! I've had a very busy season getting clients ready for their holidays, but now the nights are slowly drawing in, I am focusing my attention towards the festive season.

This year, for the month of December, I envisage myself being even busier than last year, therefore, I will be operating a pre-payment system on all appointments. Unfortunately, I have had to put this in place as last year, I had quite a few no shows and cancellations and had to disappoint clients as I couldn't fit them in. I hope you understand, but this secures your appointment and I am taking bookings for December now.

Read on to find out about my exciting new treatment—the Gold Anti-Aging Facial.

I look forward to seeing you soon.

*Jo.xx*

## NEW TREATMENT....

### The Gold Anti-Aging Facial

Famous with Hollywood stars and health spas.

When applied to the skin, the face mask immediately forms a protective layer which instantly reacts to the skins natural chemistry and helps to replace the collagen that decreases with age.

The power of Gold!

The mask has the "Midas Touch" containing an exclusive formula for extracting the same rejuvenating properties that gold has to offer and infused them along with organic nutrients and anti-oxidants, into an all natural anti-aging rejuvenating anti-wrinkle gold mask.

It is absorbed at 10 times the rate of a traditional face mask. It tightens the skin and facilitates the removal of toxins. Creating a brightening effect on the complexion softening and smoothing the appearance of fine lines to produce a lasting youthful glow.

(Not suitable for sensitive skin)

**Treatment Price: £30**
